make the following possible:

- Organization of three activities (*Tunkhannock Founders' Day, Christmas in Our Hometown and Wreaths Around Tunkhannock*) resulting in more than 15,000 visitors to the area with an economic impact of nearly ½ million dollars. Train rides were also held in the spring and the weekend before Christmas in Our Hometown.
- Organization of the inaugural "Quilts and Artisans Walk" to highlight the work of area quilters and other artisans.
- Invested over \$20,000 in marketing and promotions for the Tunkhannock area.
- Promoted collaborations among the business community, elected officials, nonprofits, and area residents.
- Successfully applied for and received \$10,000 in grant assistance to promote the area & events.
- Worked closely with the Endless Mountains Visitors Bureau and the Chamber of Commerce to maximize efforts & avoid duplication.
